

I would like to let  
you know what a  
fabulous job Saidee  
and her helpers did on  
Saturday the 28<sup>th</sup> Sept.  
for my birthday,

She was very helpful  
and nothing was too  
much trouble. I would  
have no trouble in  
having another function  
at the R.S.H. again

Dear Sadie and the team at the Yeronga RSL,

The Property Owners Association of Queensland (POAQ) would like to sincerely thank the Yeronga RSL for helping us to provide a fantastic AGM for our members on the evening of Monday 16th September 2013.

Sadie was an absolute pleasure to deal with throughout the whole process ensuring that everything ran smoothly from start to finish.

You would be amazed at the amount of positive feedback that we have received about our AGM. The venue was wonderful, the food absolutely delicious and the staff so pleasant, friendly and professional. Many of our members even commented that it was the best event that the POAQ has ever held.

We look forward to holding more fantastic events with the Yeronga RSL in the future.

Kind regards,

Dear Tony,

I am writing on behalf of the Ekibin Lions Club and wish to congratulate you on your bistro supervisor, Sadie, and the evening bistro supervisor, young Lara.

Last week, through a piece of miscommunication on my part, Sadie had only 36 hours to organize a formal dinner for our Club where we welcomed our District Governor. She had to brave the chefs with an order for a sit down meal for 38 people, and then she had to change the roster to ensure there were enough staff to be available for a service function. In her usual fashion, Sadie organized everything without any fuss or drama and the room was beautifully set up for us by Tuesday evening as she had a rostered day off on the Wednesday of the event. On the actual evening we were blessed to be looked after by Lara, and although there were speeches being made during the service of the food, and the clearing of the plates, Lara somehow made herself invisible by gliding in and out of the function room throughout the evening with not a sound of clattering crockery/cutlery.

The night could not have gone better, and both Lara and Sadie would not be out of place in a five star Hotel/restaurant (I have travelled the world and know what I'm talking about as have visited Hotels like the Savoy in London and the Peninsula in Hong Kong.)

Also I have noticed that whenever Lara is on duty she comes on duty at least half an hour early and this was no different last Wednesday night when I found her already there at 5

Yours Sincerely,
